

Moderator: Charles Michaelis, Strategy Development Solutions

Panellists:

- Lelde Kiela-Vilumsone | European Commission
- Dominique Osso | EDF
- Jürgen Salay | European Commission
- Michaela Valentová | Czech Technical University

- **Should the primary focus of evaluation in the future be on the overall policy mix or individual policies?**
- **Is it important to attribute impact to individual policies, to overall policy intervention or not at all?**
- **What should be done: what policy makers need from evaluation**
