

June 2019 –
May 2022

“Enhancing the implementation and monitoring and verification practices of Energy Saving Policies under Article 7 of EED”

Objectives:

1. To facilitate and expand sharing of knowledge and experience amongst Member States for the **implementation of policies** under Article 7 EED
2. To develop a suite of tailored resources and tools for the **implementation of Article 7 EED** to address the specific needs of Member States
3. To assist national authorities’ in-house **monitoring, reporting and verification (MRV)** schemes with a view to ensuring they have robust data and insight to inform the **(re)design of policies** towards 2030

ENSMOV is an Horizon 2020 project

This project has received funding from the European Union’s Horizon 2020 Research and innovation programme under grant agreement No 840034. This document only reflects the authors’ views and EASME is not responsible for any use that may be made of the information it contains.

First European workshop of ENSMOV on the 11th of December
(the day before the large French White Certificate Conference)

Together with the White Certificates Club 2019

- Update about the snapshot of EEOS in Europe
- Overview of key alternative measures
- Start of the exchanges programme
