

# EPATEE

 This project has received funding from the European Union's Horizon 2020 Research and Innovation programme under grant agreement No 746265.

Newsletter #1, November 2017

The 1<sup>st</sup> European Peer-Learning Workshop of EPATEE was held on 3<sup>rd</sup> October 2017 in Paris. The workshop was the first opportunity for more than 30 stakeholders to exchange knowledge and discuss existing practices related to the evaluation of energy efficiency policies. The following issues were addressed:

- EPATEE's analyses of existing evaluation practices
- Identification of stakeholders' needs in relation to evaluation
- First hand evaluation experiences in EU Member States
